

**U.S. Energy Collaborative Analysis Initiative  
Leadership Committee Meeting - AGENDA**

**May 22, 2007**, 1:00-3:00 Eastern Time  
901 D Street SW (Aerospace Building), Conference Room A&B

- 1:00 - 1:15 **Introductions**
- 1:15 - 1:25 **Meeting Overview** (Darrell Beschen, DOE and Brian Levite, NREL facilitator)
- Meeting Goals and Agenda
- 1:25 - 1:45 **Web Forum Discussion – Attachment 1**
- Feedback from the May 1 forum
  - Are these forums targeted at the right level?
  - Discussion of next forum topics
- 1:45 - 2:45 **Workshop 2007**
- Workshop Agenda & Plenary Session – **Attachment 2**
  - Breakout Session Outlines & Invited Speakers and Panelists
    - Behavioral factors in market/choice models and tools
    - Energy modeling data resources
    - Integrated energy and environmental scenarios
    - Improve impact evaluation tools: economics and environment
    - Risk and uncertainty in energy modeling
  - Invitation List – note that space is limited – **Attachment 3**
  - Comments on Agenda, Topical Session Design, and Targeted Participants – including views on how we can ensure that the workshop has the most value to the participants.
  - How can we leverage this meeting to increase participation in ECAI? Particularly by state and regional organizations?
- 2:45 - 3:00 **Summary and Outline of Next Leadership Committee**
- We would like the next meeting to reflect on the results of the workshop and focus on:
- What is our shared vision of ECAI?
  - What steps need to be taken to achieve this vision?
  - How can we track our progress toward achieving that vision?
  - When/how can other ECAI participants share in funding this activity?
