

## **Industrial Energy Management Resources and Tools, Industrial Technologies Program (ITP), Save Energy Now (SEN) CD Version 2.0i**

<http://www.nrel.gov/docs/fy09osti/45314CD.zip> (ZIP 450 MB)

DOE/GO-102009-2808

NREL/CD-6A4-45314

March 2009

**Instructions:** The URL above links to a zipped archive file that is not self-extracting. Download the .zip file to a local drive, then extract the contents to its own folder. Open the extracted folder launch the CD (most CDs contain an executable, PDF, or readme file in the root folder); or write all the contents to a CD-ROM for storage.

**System Requirements:** Adobe Acrobat Reader 8.0 or better to view PDF files; a file decompression utility such as WinZip (PC) or Stuffit Expander (Mac) to extract the files from the ZIP file (both are available via Internet); and sufficient storage space for decompressed files.
