ENERGY

Energy Efficiency &
Renewable Energy

MOBILE

Alternative Fueling Station Locator

www.afdc.energy.gov/stations/m

- Select an alternative fuel and find the five nearest stations.
- View a map and obtain driving directions to a station.
- Call a selected station instantly with one touch.

Vehicle Cost Calculator

www.afdc.energy.gov/calc/m

- Compare annual fuel costs and emissions of alternative fuel vehicles with those of conventional vehicles.
- Enter information about your own driving habits and vehicle to customize your comparison.

FuelEconomy.gov

www.fueleconomy.gov/m

- Search for vehicles by comparing fuel economy, fuel costs, and greenhouse gas emissions.
- Calculate and track your fuel economy; share your mpg with other users.
- Find driving tips for saving money and fuel.

Truck Stop Electrification Locator

www.afdc.energy.gov/tse/m

- Search for nearby truck stops with electrified parking spaces, which reduce the need for idling.
- View a map and get directions.
- Confirm availability at a selected truck stop by calling instantly with one touch.

Clean Cities advances the nation's economic, environmental, and energy security by supporting local actions to reduce petroleum use in transportation.
