

Appendix 7: Master Equipment List

Master Equipment List Instructions

The Master Equipment List (MEL) is used to add, remove, or replace assets from the Maximo Maintenance database. Email both the A/E generated form at completion of design and the construction completed form to Facfeedback@sandia.gov.

Equipment Symbol #:	Enter Equipment list number as shown on the design drawing
Equipment Description	Enter Equipment Description as shown on the design drawing
New, Remove, or Replace:	Select from drop down menu to designate as appropriate
Maximo Asset #: (Existing Equipment)	Enter Maximo asset number (barcoded Maximo tag) on equipment that is removed during project
System (Level 2):	Select from drop down menu as appropriate
Component (Level 3):	Select from drop down menu as appropriate
Section (Level 4):	Select from drop down menu as appropriate
Section Subtype (Level 5):	Select from drop down menu as appropriate
Floor:	Select from drop down Floor (e.g., 1st, 2nd, etc.)
Room:	Enter Room number of equipment (e.g., 1020, 345, etc.)
Above Ceiling:	Select from drop down menu to identify if the equipment is located above the ceiling
Quadrant:	Select from drop down menu to list Quadrant (e.g., NE, SE, etc.) as it relates to the room location, not the building location
Manufacturer:	Enter Equipment Manufacturer (e.g., Trane, York, B&G, etc.)
Model #:	Enter Model Number
Serial #:	Enter Serial Number from equipment name plate
Warranty Start Date:	Enter Warranty Start Date.
Warranty Expiration Date:	Enter date equipment warranty ends
Warranty(s):	Enter ALL labor, equipment or parts and Length of Warranty. (May be multiple)
Comments:	Enter any additional information pertinent to the new equipment

MASTER EQUIPMENT LIST (MEL)

Project Name: Gen 3 Particle Pilot Plant (G3P3)
 Project Number: 1997176
 Completed by: Bridgers & Paxton

Building: 9980N
 PO Number: _____
 Prime Contractor: _____
