

South Table Mountain Campus Accessibility Map

15013 Denver West Parkway
Golden, CO 80401

Café: The ADA entrance is located on the south side of the building. The shuttle stop is located south of the building. Note that the building entrance is elevated and can be accessed via the ramp southwest of the building.

East Site Entrance Building (ESEB): The ADA entrance is located on the east side of the building. ADA parking is in the northwest quadrant of the Education Center parking lot.

Education Center: The ADA entrance is located on the south side of the building. ADA parking and the shuttle stop are both located east of the building in the northwest quadrant of the parking lot.

Energy Systems Integration Facility (ESIF): The ADA entrance is located on the southwest side of the building via the courtyard, under the elevated south end of the building. ADA parking and the shuttle stop are both located southwest of the building. Note that to the east of the ADA parking/shuttle stop there is a ramp that leads to the ADA entrance.

Field Test Laboratory Building (FTLB): The ADA entrance is located on the south side of the building. ADA parking and the shuttle stop are both located south of the building. Note that ADA entrance is elevated and can be accessed via the ramp that leads to the ADA entrance.

Integrated Biorefinery Research Facility (IBRF): The ADA entrance is located on the southeast side of the building. ADA parking and the shuttle stop are both located north of the ADA entrance in the parking lot adjacent to the building.

Outdoor Test Facility (OTF): There are two ADA entrances, one on the north side and another on the south side of the building. ADA parking and the shuttle stop are both located north of the building.

Parking Garage: ADA parking is located on Level 3 only. The shuttle stops north of the garage and on the Level 3 breezeway.

Research Support Facility (RSF): Two ADA entrances are in the center courtyard on the west and east sides of the building. ADA parking is located east of the building, in the northwest quadrant of the Visitor parking lot. ADA shuttle stops are located on the east and north sides of the building.

Science & Technology Facility (S&TF): The ADA entrance is located on the south side of the building. The shuttle stops on the south side of the building near the ADA entrance.

Shipping and Receiving: The ADA entrance is located on the southwest side of the building. ADA parking is located to the west of the building and the shuttle stop is located near the southwest corner of the building. Note that the entrance is elevated and can be accessed via the ramp that runs along the west side of the building.

Solar Energy Research Facility (SERF): One ADA entrance is located on the south side of the building, near the west end of the facility. Two ADA entrances are located on the north side of the building, one near the east and the other near the west end of the facility. ADA Parking is located northwest of the building. The shuttle stops on the south and north sides of the building.

Solar Radiation Research Laboratory (SRRL)/Mesa Top: The ADA entrance is located on the west side of the building. ADA parking and the shuttle stop are both located north of the building.

South Site Entrance Building (SSEB): The entrance is located on the southwest side of the building. ADA parking and the shuttle stop are both located south of the building.

Thermal Test Facility (TTF): The ADA entrance is located on the south side of the building at the east end. ADA parking and the shuttle stop are both located south of the building near the ADA entrance.

Vehicle Testing and Integration Facility (VTIF): The entrance is located on the northeast side of the building. The shuttle stops near the ADA entrance.

Waste Handling Facility (WHF): The entrance is located on the southeast side of the building. The shuttle stops near the building entrance.
